

A No, I don't -- oh, very, very seldom. Once in awhile I would telephone to the Point Pleasant Hardware Company or possibly to a garage, whether it would be allright for me to bring a car up to have something done, or anything like that;but I very seldom used telephones and I remember receiving no messages whatever prior to the 14th day of September for quite a while.

Q Well, you didn't get any on the 14th or 15th, did you?

A I am positive I did not get any telephones on those days. I wouldn't swear to that, you know; there might have been some little insignificant thing come up.

Q Well, you had no calls from New Brunswick, did you?

A No, I had no calls from New Brunswick whatever, absolutely.

Q Now, am I right in understanding that in 1924 you received a 38 calibre automatic, was it Remington?

A Yes.

Q That was in 1924 the first time you owned it?

A In 1924 I was asked to go to Binghampton, New York and manage, that is take charge of the office and manage the New York State Tournament at that time, trap shooting tournament, shooting at clay pigeons. I went up there and after the tournament was over I thought I would run up to Ilion, N. Y. where the Remington Arms Company
